HOW AND WHEN YOU CAN RECEIVE YOUR BOUNTIES	14
ADDITIONAL DISCLAIMER	14

We are now starting a bounty campaign, so participants can help us tell about Thrive to the community, and get free token as a bounty reward. In the Thrive ICO there will be 200 millions token issued in total. As a bounty reward we will distribute 4 million token, which equals to 2% from all Thrive token issued in ICO.

To earn and receive Thrive token, at first you should create an email-based Thrive account. It is important for you to have access to that email and your Thrive account password, as we will send bounty rewards directly to your Thrive account. After you have created an account, just spread information about Thrive ICO in crypto-community as wide as possible by following the simple instructions in this post. By completing bounty tasks you will receive bounty-stakes, at the end of ICO we will distribute 2 million token proportionally to your bounty stakes in each category.

You can join the Bounty Campaign at any time. Though the sooner you do it, the more stakes you will get. To receive bonus, each member must participate until the end of the ICO and follow the terms enumerated above.

THE BOUNTY POOL

THE BOUNTY POOL WILL BE DISTRIBUTED AMONG BOUNTY SECTIONS IN THE FOLLOWING WAY:

- Facebook reposts Campaign 10%
- Twitter reposts Campaign 10%
- BTT signature Campaign 30%
- BTT translation Campaign 20%
- Blog & Video Campaign 25%
- Telegram Campaign 5%

FACEBOOK FOLLOW & REPOST

Help us maximize the reach of our page and posts by participating in our Facebook bounty campaign. You will be able to earn stakes by liking, sharing, or commenting on our page and posts.

- Register your participation [here](#).
- “LIKE” our official Facebook page .
- Have 300 Facebook friends minimum.
- Your Facebook profile should be public (all posts are to be visible for everyone) and friends must be visible.
- Each post on our official account must be repost marked with #thriveico from within 5 days after their publication and not later, and do not delete them until the ICO ends. All reposts must be public.
- You will have a starting score according to the number of your friends.
- Write (in English) your own post devoted to Thrive creating a positive image of the project and using the following hashtags: #thrive #thriveico #admarketplace #ico #blockchain #ethereum #bitcoin. Your efforts will be granted with extra **4 stakes**. You are not obliged to follow this term, however, by ignoring it you won't gain additional stakes.

Bounties will be distributed as follows

10 stakes for 300-700 friends

15 stakes for 700-1500 friends

20 stakes more than 1500 friends

5 stakes for every post (text / image / video, link) you LIKE.

20 stakes for every comment (at least 30 characters per comment) in which you mention #Thrive

10 stakes for every public share of any of our posts (“share now” or “share to friends” function)

Facebook account must be at least 4 months old. The number of your followers is being fixed at the moment you connect your account and doesn't change during the campaign.

Multiple accounts registration is not allowed. One person=one account. All the related accounts will be deleted.

The list of participants is being updated and analyzed once per week.

You can check your participation status [here](#)

Every week participants have to prepare a weekly activity report of presumed valid activity and fill up Weekly report form, not reporting within the next week leads to renouncing the prize for that week.

BITCOINTALK TRANSLATION CAMPAIGN

We offer a reward for translating the Thrive BitcoinTalk Thread official post, white paper, and ANNs (including moderating local threads). The following languages are welcome: Japanese, Chinese traditional, German, French, Spanish, Italian, Russian, Arabic and Hindi.

Other languages will be evaluated. You can contact Thrive Bounty Manager to offer other language option.

- Register your participation [here](#)
- Be at least in Jr. Member or upper rank to join the campaign
- Each member should translate the official Thrive BitcoinTalk Thread post, white paper, and original thread ANNs. In order to fulfil bounty task you need to create your local thread at Bitcointalk, moderate and manage it publishing the translated posts there.
- Format of all original posts and documents should be retained. Non-qualified and incomplete translations and posts are to be excluded from the campaign. All campaign participants will be provided with original sources.

Translation campaign rewards

100 stakes for whitepaper translation

25 stakes for ANNs translation

5 stakes for every moderate post in your thread

Once you have registered to this campaign, please wait till we contact you. DO NOT start translation before you get our instructions!

After ICO is finished, the whole bounty pool is to be redistributed among all campaign members considering the number of stakes each member gained. Bounty tasks success will be verified and estimated after the ICO ends. To receive bonus, each member must participate until the end of the ICO and follow the terms enumerated above.
